Notes to Competitors

Race HQ - Everybody's Gym - Off Vine Street, Spalding, Lincs, PE11 1AZ,

Tel: 01775 768500 info@everybodysgym.co.uk

Due to circuit road closures on the day please plan your route to and through Spalding and allow plenty of time to get to race HQ.

Car parking for competitors; plenty of car parking is available close to the circuit at Vine Street car park – PE11 1AZ, South Holland District Council car park – PE11 2XE and Spalding Grammar School – PE11 2XH (see map).

The event will be held under the rules and regulations of British Cycling.

Bike/gear checks will be completed at race HQ. Riders filling the first three places in restricted events will have their gears checked after their events.

Riders must wear hard shell crash hats at all times whilst on the circuit.

Parental consent is a requirement for all riders under 18 years of age.

For recording of finish placings riders should fix race numbers on left hip and left shoulder.

There will be a rider briefing 10 minutes before each event at the location indicated on race circuit map – 50 metres before start/finish line.

Riders encountering mechanical problems will be allowed a lap out, but must report to the pit area/race commissaire. Laps out will not be permitted during the last 5 laps of racing.

Competitors are requested to ensure they use the toilets situated at race HQ and/or car parking areas. Riders observed urinating elsewhere (other than toilets) will be disqualified from their event.

Changing and shower facilities are available at race HQ (everybody's Gym).

Area also available at race HQ for warming up using rollers or turbo.

Full event results will be published on the Spalding Cycling Club website

Acknowledgements

Spalding Cycling Club would like to thank the residents and businesses of Spalding, particularly those that live on or close to the circuit. Their patience during the time of road closure is greatly appreciated.

We would like to thank South Holland District Council, Lincolnshire Police, The Flower Festival Committee, Spalding Parish Church and Spalding Grammar School Camera Club.

We would also like to thank our sponsors and those that made generous donations to fund this event. Without their generous support this event would not take place. Sponsor contact details can be found on the outside cover of this programme.

Notes to Spectators

We have not had town centre racing in Spalding town centre since the early 1980's when, for several years, some notable riders came to Spalding to entertain spectators.

Spectating at this event is free of charge, and we hope you enjoy an exciting and spectacular afternoon of racing. Such events require significant funding and a donation for this programme will contribute to the cost of promoting and organising this event.

The circuit is well defined with barrier controls in the most important areas where safety of riders and spectators is paramount. There are three specific marshal controlled crossing points where pedestrians can move to/from or around the circuit under the control of crossing point marshals.

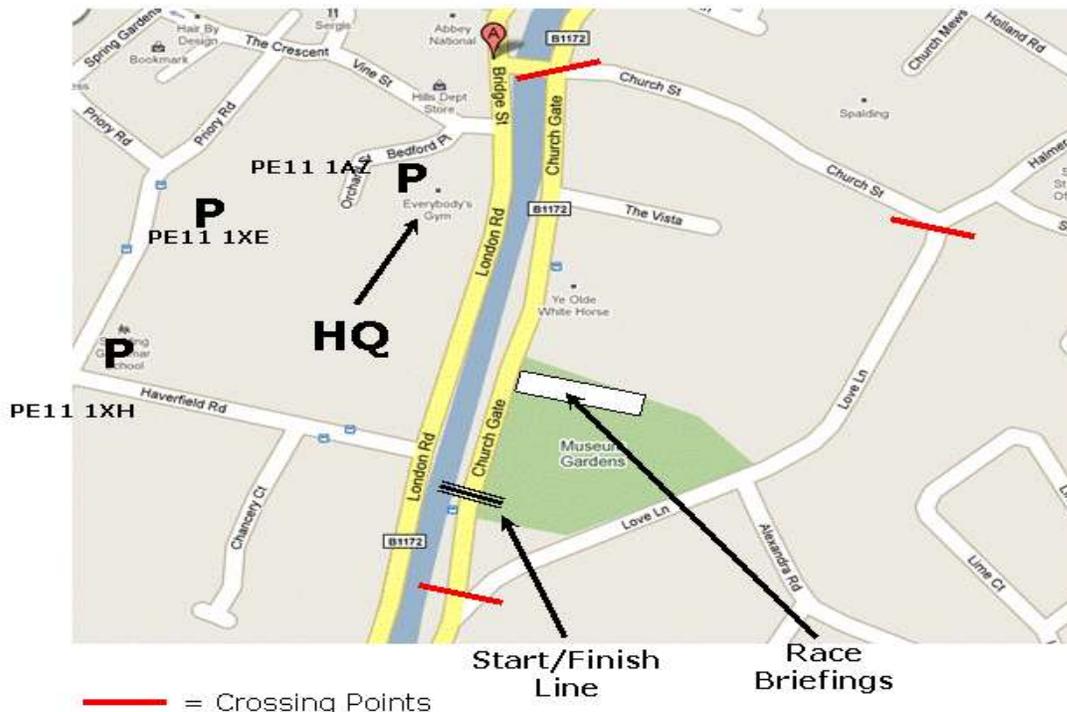

We ask members of the public (and competitors) to obey all instructions issued by event organisers, marshals, police and PCSO's during the course of the event. Most importantly we hope you have a very safe and entertaining afternoon.

The racing will take place on a closed road circuit, with roads being closed from 12:00pm, and will reopen at approximately 5:30pm. There will be restricted access/egress for vehicle movements between races. Access to the racing circuit will be available at any time for the Emergency Services.

It is possible there might be more competitors in events than are listed in this programme. Some entries may have been received after printing.

There are many additional events taking place in Spalding during the Festival weekend. Please feel free to explore and find out what is going on.
